to a modem, you'll be interested to know there are several E-mail services that cater to racing fans. One, "wheeltowheel," is available on Internet, which reasons tens of thousands if not hundreds of thousands of fans. Also: America Online has "In the Pits" bulletin board (goto: GRANDSTAND), with a Karting sub-category (see karts also under "Other Sports" in America Online's "The Grandstand.")

On these E-mail services, you can "chat" electronically with people all over the nation about racing: karts, sports cars, etc.

You can also get regular up-to-date race reports, in case your local newspaper doesn't carry that sort of information.

Club officers

WKC is accepting nominations for club officers for the 1994 season.

If you're interested in holding office or serving on the board of directors, or in nominating someone, please see any board of directors' member. Names and telephone numbers are at right.

Elections will be held at the November meeting, at General Masonry Inc. in Newington, Va. The meeting starts at 7:30.
