

# 1996 WKC club races

Season point awards will be given to the point champion and positions second through fifth for each class. Only races at Summit Point count (plus the WKA Summit national race if your class is included in that schedule). Competitors who have registered for all six club races shall receive five (5) bonus points for that class. Count best four out of six races for each class. If your class is not among those contested at the National event, you will receive five bonus points for registering in all five club races, and you may count four of your best five races. Corrections of these point standings must be made in writing to the Chief Scorer, or by calling Alicia Reaney at 703-978-0760 prior to Dec. 1.
