

# 1998 WKC Points Results

Season points awards will be given to the points champion and positions second through fifth for each class. Only the races at Summit Point count (plus the WKA Summit National race, if your class is included in that schedule). Competitors who have registered for all six club races shall receive five (5) bonus points for that class. Count best five out of six races for each class.

Corrections must be made in writing and received no later than January 11, 1999, to the Chief Scorer:
